

Go cashless with Payzone

Payzone is a member of the OGP Framework to provide payment solutions to schools.

Your all-in-one solution

We are the only provider to offer a completely cashless platform

- School fees
- Mock fees
- Deposits
- School tour payments
- Take enrolment
- List items for sale

Parents can pay with ease while you can view all payments received, reduce your admin, and increase security and efficiency through a cashless payment solution.

Benefits to Schools

- 💬 Improved communication with text message and email functionality
- 🕒 Reduce time spent on admin; phone calls, stationary, trips to bank
- 🔒 Better security for the school with less cash on the premises
- € Reduce costs associated with cash handling
- 🔄 Next day payment into your bank

Benefits to Parents

- Pay online, 24/7
- Pay in any of our 3,500 Payzone retailers
- Pay in automatic instalments
- Receipts by email
- Better security as students don't need to carry cash

Go cashless with **Payzone**

Payzone's features

- Payment requests: send requests to individuals or to an entire class
- Shop: Allow parents to choose what they wish to pay for (e.g. after school study)
- Class admin: Assign Teachers to classes to view student reports
- Communicate: Send information in emails or texts to parents
- Information request: Gather additional information from parents as they submit their payment (e.g. school trip permissions)
- Single sign-on: Parents can create a Payzone account to make and view payments for all of their children across multiple schools
- Receipts: Automatic receipts for all payment types delivered via email or text

Training and support

We provide the following free of charge

- Full training during account set up
- Local, Irish support team on hand 6 days a week
- Ongoing courses and feature demonstrations

Clear reports

We provide customisable reports including

- Income type: e.g. tours, fees, after school study
- Payment item – e.g. afterschool study on Monday
- Payment type: cash, card, cheque
- Family account: all payments for a particular family
- Instalments: details the status of all instalment plans
- Owed: Lists those who have outstanding payments
- Class: students paid/unpaid for an income type or item for each class

Payment reconciliation

- Real-time payment reports
- Bank reconciliation reports
- Class payment reports

System integration

- Import all your student data from any existing database
- Export data to integrate with your existing finance package

Additional add on: Fundraise with Payzone

Support your preferred charity or raise vital funds for school equipment and facilities with our fundraising campaigns and events feature.
